50<sup>th</sup> Anniversary Celebration

June 10, 2006

## *80 YEARS OF OUTDOOR MINISTRIES* *50 YEARS OF SACRED SPACE*

Nearly one hundred years after the formation of the Congregational Conference of Maine, its first Young Peoples Conference for high school youth was held in 1925 at the State YMCA Camp on Lake Cobbosseecontee. The Manitou, Akita, and Mowano camping programs developed for 30 years at various locations across the state.

On December 1, 1955 the Congregational-Christian Conference of Maine, meeting in Waterville, voted to purchase Balbrook Lodge in West Gardiner, and began to plan for the first full season of camp the following summer. Pilgrim Lodge was dedicated on June 9, 1956.

Today Pilgrim Lodge celebrates 50 years since the union of outdoor ministries programs with this sacred space, and looks to the future of this vibrant ministry of the Maine Conference United Church of Christ.

### *THE PROGRAM MISSION OF THE* **MAINE CONFERENCE UNITED CHURCH OF CHRIST** *OUTDOOR MINISTRIES*

Our mission is to help young people and adults grow as Christians. We achieve this growth through week long experiences in group living involving exposure to the world of nature, helpful caring relationships, experiences of sharing, recreation, fellowship, and worship.

By engaging in purposeful programming, campers and counselors broaden their understanding of God and the world.

Together we seek to overcome fears and frustrations and to experience the joy of giving and receiving love.

The camp community creates a lifestyle in accordance with Christian values, an openness to the Holy Spirit, and the grace of Jesus Christ.

## Program Room ~ Historical Photos

The large room on the south side of the Lodge is filled with photographs from all eras of our Outdoor Ministries program, as well as from Balbrook Lodge before it became Pilgrim Lodge. Prints are displayed in a timeline, while thousands of slides are continuously projected by decade. We welcome you to explore these images of the past to find new and familiar faces. We also request your help in identifying faces you recognize from your own camp experience.

## Silent Auction

Silent auction items include original artwork by campers at the 2005 Artists & Others camp, as well as donations by other PL artists. Bidding begins at 9:00 AM and will close *sometime* between 3:30 and 4:00 PM. The final bell is uncertain, so bid high and bid often! Proceeds support the ministry of Pilgrim Lodge.

## Middle Room ~ Camp Store and Ice Cream

The PL Camp Store has expanded beyond the window for your shopping convenience. Pilgrim Lodge fashions, accessories, and especially 50th Anniversary memorabilia will be on display throughout the middle room of the Lodge. More details on page 18

# Waterfront

*9:00-10:30 AM and 1:00-4:30 PM*

## Swimming

Lifeguards will be on duty, so take the plunge and dip into Lake Cobbosseecontee. Feel the refreshment you can only get from a glacial lake in early summer. No swim tests or buddy tags required for this special day!

## Boating

Canoes and prams are available at the boat dock to paddle or row around Pinkham Sound. Pick up your PFD and paddles or oars at the boat shed and head on down.

## Island Trips

Excursions to Manitou Island leave periodically. Head over to explore the nature trails, check out the brick oven being constructed, and see the PL waterfront from the other side. Check-in with the volunteer working on the boat dock to join the next trip.

## Cobbosseecontee Tours

Our PL Maintenance Director, Steve Jones, is offering tours of Lake Cobbosseecontee on his party boat for our big party today. See some of the other camps on the lake, as well as our fresh water lighthouse and Ladies' Delight Island. The mate is a mighty sailing man, the skipper brave and sure, you'll return safe and sound after your one-hour tour.

A \$10 donation is requested to cover fuel costs. Space is limited, so sign-up early at the camp store, or check at the dock for available seats. Meet at the waterfront 10 minutes before your scheduled time. Tours leave at 9:45 AM, 1:45 PM, and 3:00 PM

# Chapel

All of Pilgrim Lodge is a sanctuary but the Chapel, built during PL's first summer, has an added sense of sacred space. Thousands of campers have gathered here for chapel and vespers services, under the whispering birch trees, transfixed by the blue of the lake and the green of the islands, watching loons float past in the golden sunset, waking up the echo bidding it goodnight, and praising God in still silence or in loud and joyful noise.

We invite you to enjoy the space in quite solitude, or join with others in making a joyful noise at of our two sing-a-longs today. We'll provide leaders, but you'll choose the songs: reverent or raucous, sacred or silly.

## Sing-a-long

*9:30 AM and 2:00 PM*

# Labyrinth

The Pilgrim Lodge Labyrinth is under construction near Edna's Point, along the Red Trail that follows the lake north from the Chapel. (See map on inside back cover.) The labyrinth will be dedicated at this site at 10:00 this morning.

A labyrinth is an ancient symbol that relates to wholeness. It combines the imagery of the circle and the spiral into a meandering but purposeful path. The Labyrinth represents a journey to our own center and back again out into the world. Labyrinths have long been used as meditation and prayer tools.

A labyrinth is an archetype with which we can have a direct experience. We can walk it. It is a metaphor for life's journey. It is a symbol that creates a sacred space and place and takes us out of our ego to "That Which Is Within." Labyrinths and mazes have often been confused. When most people hear of a labyrinth they think of a maze. A labyrinth is not a maze. A maze is like a puzzle to be solved. It has twists, turns, and blind alleys. A labyrinth has only one path. It is unicursal. The way in is the way out. There are no blind alleys. The path leads you on a circuitous path to the center and out again.

Our labyrinth is 84 feet in diameter with 8 courses. The entrance, as well as the end point, faces due east. The large standing stones within the labyrinth create an east/west and a north/south axis. The wood benches in the middle are set in the hopes that groups will walk meditatively into the center, share, and exit in the same prayerful manner.

The Pilgrim Lodge Labyrinth is being built by Jay Young, a member of the Woodfords Congregational Church, with the help of many volunteers. We hope to have it finished by the end of summer.

## Craft Cabin

9:00-10:30 AM and 1:00-4:30 PM

Camp wouldn't be camp with out crafts. Beads, gimp, wax, yarn, felt, popsicle sticks, tissue paper, glue, paint, glitter, egg cartons, shoe boxes, a little imagination, and suddenly you're a co-creator with the Divine. Stop by the Craft cabin to see what miracles are waiting at the tips of your fingers. Follow the steps up the hill behind the Main Lodge, beside the camp office.

Doesn't your mother need a new pot holder or trivet? Don't your friends need new friendship bracelets. Doesn't God need a new eye? Quick, to the Craft Cabin!

## Camp Tours

9:30 AM and 2:00 PM

Much has changed at Pilgrim Lodge in 50 years. Buildings, fields, trails, property.

Come see what's new and what is just the same.

Tours leave from the front of the Lodge near the bell.

## Nature Walks

9:30 AM and 2:00 PM

Getting back to nature has always been a key part of outdoor ministries.

Call to Worship

*from Psalm 133*

One: How very good and pleasant it is when kindred live together in unity!

**Many: How very good and pleasant it is!**

One: It is like the precious oil on the head, running down upon the beard of Aaron, running down over the collar of his robes.

**Many: How very good and pleasant it is when kindred live together!**

One: It is like the dew of Hermon, which falls on the mountains of Zion. For there the Lord ordained his blessing, life for evermore.

**Many: How very good and pleasant it is when kindred live together in unity!**

**ALL: How very good and pleasant it is to worship our God!**
