On a separate page please reflect on the following questions. These responses are important, so please think and pray on them, and write enough that these words clearly and fully reflect your thoughts and feelings about these questions.

1. Think back on your summer(s) on the staff at Pilgrim Lodge. As you look back what events or people (or other things) changed your perspective and/or your life? How have these things changed the way you live your life?
2. What are you most proud of from your time on staff at Pilgrim Lodge? What did you do or what were you involved in that you believe made a difference in a camper (or campers) life, another person's life, or somehow changed this world?
3. Now look at the summer in a different way. What hopes would you have for this coming summer? How would you change the way the program impacts the campers? What is your part in making changes that enrich our camper's experience?
4. What are your personal goals for this summer? How will this summer be different and better than last summer because of your commitment to make it so?

Camp is a place where many young people come to trust adults and learn to be trusted. The atmosphere we attempt to create is one where each individual can feel valued and safe.

Unfortunately, some places in our society which are considered "safe" have found that their setting is not so, most often because of the staff they have hired. It is our mandate that we thoroughly screen all applicants and make every effort to make Pilgrim Lodge safe for staff and participants alike. These questions are presented here to fill this mandate for a safe environment. The following questions *must be answered for this application to be considered.*

Date of Birth: Month _____ Date _____ Year _____

Do you have a driver's license? If so, please provide your license number and state in which it was issued:

If you answered yes to any of the above questions attach a page to this application fully explaining each situation.

Please list church or churches, if any, where you have regularly attended and are known by the pastor or another professional staff member. Non-attendance or non-regular attendance at any church *will not* disqualify an applicant.

List three people who can and will verify your employability, work ethic and personality with some judgment as to your suitability to the position for which you have applied.
