

July 6, 2010

Dear Campers,

Hello! Our names are Bill and Anne, and we will be the deans for your week at Pilgrim Lodge August 1-7, 2010. Our week at camp is called "Community of Caring". We are anxiously awaiting your arrival!

Here is some information to help you get ready for our time together. If this is your first time coming to Pilgrim Lodge a special experience is in store for you! Not a first time camper, then you are probably as excited as we are anticipating our time at camp.

There are many activities to do while at camp like swimming, boating, crafts and learning about nature. The theme for camp this summer is "Be a Hero: Living like Jesus". Every day we will hear stories of normal people from the Bible that did heroic things. Through these stories we hope that you will see ways that you might be a hero here at camp or back in your everyday life.

On Tuesday evening we will be hearing about our mission project. Each year we learn about and raise funds for an organization or group doing good works in the world. This year that organization is "Friends of Kakamega". This is a group based right here in Maine raising funds for an orphanage and school in Kenya, Africa. You're parents will deposit your mission donation along with your store spending money when you arrive on Sunday. To learn more about this project before you come to camp visit <http://web.me.com/sukierice/iWeb/Site/Home.html> or read the information included below.

If you play an instrument please bring it with you. There will be opportunities to share your musical talents during worship and as part of our Variety Show at the end of the week.

On Thursday evening we will have a "Crazy Hat" Dinner, so please bring a crazy hat you already have or better yet make a crazy hat just for this dinner.

In addition to the list of things you received when you registered (if you missed it) We've included it below), Go to [www.pilgrimlodge.org/registration.html](http://www.pilgrimlodge.org/registration.html) if you want the entire parent/camper guide. Please remember to bring your closed toe shoes (crocks are not considered closed toe shoes).

On Sunday, the day you come to camp, please arrive **between 2-4 pm**. We'll be ready and waiting for you to arrive! Your family can stay and help you get settled into your cabin until 4 pm. On Saturday August 7<sup>th</sup>, the last day of camp, your family should arrive by 9 am for our closing circle. It should only last about  $\frac{1}{2}$  an hour; we hope all parents can attend and it's important that campers stay with their cabin group to share this closing event.

So get those suitcases packed, include your favorite stuffed animal to make your bunk cozy! We have gathered some dear friends to help make your week at camp as special as you are! We can't wait to greet you on August 1<sup>st</sup> and spend a wonderful week together at Pilgrim Lodge!

See you soon,  
Dean Bill & Dean Anne

## The Camp Store and Mission Offering

Upon arrival there will be a table where you can set up an account for the store. Cash is only accepted at the store during drop off and pick up, not during the week. During the week your camper will have an opportunity to make a donation to our mission offering from that account. Parents will make the decision for younger campers. Ice cream is \$1 per day.

**Photo CD's:** You can order a CD-Rom of photos of your campers week at the store for \$15 and it will be ready for you when your camper leaves. Photo CD's may be ordered after camp but a shipping charge is added.

# Pilgrim Lodge 2010 Mission Focus

Every summer, the Outdoor Ministries Committee chooses one worthy project on which to focus our mission efforts. This involves education and awareness of the issues on both local and global scales, connection to the gospel message to serve others in need, prayer and worship activities on behalf of people involved with the mission, and an opportunity to offer monetary gifts. Campers at youth camp can make a donation their store accounts. Adult and family camps have the opportunity to make a traditional offering. The 2010 mission focus is on:

## Friends of Kakamega

Supporting the Kakamega AIDS Orphan Project and Care Center  
Run by the United Society of Friends Women

### A Maine-based Quaker non-profit organization that supports the

AIDS Orphan Project of USFW (United Society of Friends Women, Kakamega). Kakamega, Kenya  
The USFW Orphan Project of Kakamega, Kenya is a grassroots effort to help children whose parents have died primarily of AIDS. It is an **ORPHANAGE, a FEEDING PROGRAM** and provides **EDUCATIONAL SPONSORSHIPS** for orphans so they can go to school. It is run by Kenyan Quaker women of the USFW (United Society of Friends Women, Kakamega). Since 2001 they have devoted their lives to helping orphans in serious need.

#### **FRIENDS OF KAKAMEGA — THE MAINE CONNECTION**

Partnered with the USFW is **Friends of Kakamega**, a Maine-based Quaker non-profit organization. Since 2002 Friends of Kakamega has worked to finance the Care Center dining hall and dormitories, and to sponsor over 150 children for education. Each summer Friends of Kakamega organizes a service project trip to the orphanage to work with the children, and to introduce participants to a world so different from that which Americans are used to.

How Many people are served by this organization?

- 50 camper aged boys and girls live at the Kakamega Care Centre, where they get nutritious meals, love and guidance from a caring and benevolent staff, a new family of friends and really, a new lease on life.
- 60 other local orphans come to the Feeding Program at the Care Centre , and eat their primary meal of the day
- 100 children who live in the rural areas with guardians receive sponsorships so they can attend school and get food.
- 40 teenagers are able to attend high school because of sponsorships they receive through the program. Matriculating and graduating high school is essential to thier eventually being able to take proper care of themselves.

**Organic Farming:** To promote self-sufficiency and generate income in Kenya, the Friends of Kakamega has purchased seven acres of farmland. The farm is currently being converted to organic production, both for environmental benefit and to avoid the high cost of fertilizer. Guided by a retired Kenyan Agriculture expert, the land will serve as a demonstration farm to teach the value of organic farming. Corn, beans, peanuts, and other crops are grown for Care Center meals and to generate income for the Center.
