

## **Oh hey, youth & parental units!**

This week we are going to pull off the impossible: We are going to be in two places at once! Immersing ourselves in the camp experience, and gathering the tools to really know what we're talking about when someone says, "Hey, have you ever been at camp!?!?". We'll say, "OF COURSE I've been to camp! In fact, I've been to (at least) TWO camps, with the best staff ever, and the best friends ever, and a sprinkle of Jesus on top."

We, your CT based Deans, will be learning right along with you and diving head first in to camp x2! We are so excited to meet you in really just a few days. (Er, sorry about the tardiness of this letter -- Part of being at two camps is coordinating with ALL staff parties involved!)

### **Your Deans:**

Rev's Chris and Jack have been instant friends since their own camp experience a few years ago. They regularly meet to talk about the future of the church, their phenomenal families and lives, and how awesome Jesus is.

Jack is bearded, about to be someone's dad, and is serving a church in Southern CT. Fun facts about Jack: He plays the guitar and loves canoeing. You'll see these skillz in action all through the week! So bring your instruments if you play, and we'll jam!

Chris is super rad, has a dog named Thomas Hooker, and is serving a church outside of Hartford, CT. Fun facts about Chris: She likes to be on rivers in whitewater going quite quickly in a tiny boat. She will have a song on hand for any situation, and you'll hear them, often.

## **Your Week:**

We will begin our week of adventures at Pilgrim Lodge in West Gardener, ME. For directions please visit their website at:

<http://www.pilgrimlodge.org/directions.html>

Registration is from 2-4pm on Sunday, August 2nd.

We will travel together on Wednesday to Horton Center in Gorham, NH. The day will be filled with silly car games, loud music, and high adventure. (safe adventure, but still high adventure.)

At Horton Center, we'll continue to hang out, have fun, and learn about Jesus in the best way possible until Saturday, where pick up is at Horton Center at 9:30am. For directions, visit their website at:
