Greetings!

Thank you for signing up to be a CIT at Pilgrim Lodge! Training us coming up on Saturday, May 14 at

[1 Weston Court](#)  
[Augusta, ME 04330](#)

click on the address for **directions**

Plan to arrive at **10 am** and to be picked up by **4 pm**

**We'll provide pizza for lunch, but if you have special dietary needs, please bring your own bag lunch.**

Your trainers will be Karen Choate, chair of the Outdoor Ministry Team, and OMT member Chris DiSalvatore. If you have not already downloaded the CIT manual, please do so. [Here is the link](#). Please take some time and look it over during the week and be sure to jot down any questions that come up. It would also be a good idea to think about why you are interested in CITing and what weeks might work best for you. Remember, you must be two years older than the oldest camper.

Give some thought to the role of CIT. What excites you? What is your biggest concern? What questions do you have? What ideas will you bring to your week at camp for interest groups and cabin activities? How is being a CIT different than being a camper?

There will be lots of time to discuss these questions. Looking forward to seeing you, and thank again for stepping up to such an important role! I'm sad that I have a conflict that will not allow me to attend this year, but you are in capable and experienced hands.

Peace,

Bryan
