Dear CIT Trainee,

I'm looking forward to seeing you on Saturday, June 4 at Pilgrim Lodge.

Plan to arrive at camp at **10 am** and to be picked up by **4 pm**. Check in with me on ping pong porch.

**We'll provide lunch, but if you have special dietary needs, please bring your own bag lunch.**

**Bring your swimsuit and towel** – time and weather permitting; we'll take a dip in the lake!

If you have not already downloaded the CIT manual, please do so. [Here is the link](#). Please take some time and look it over during the week and be sure to jot down any questions that come up. It would also be a good idea to think about why you are interested in CITing and what weeks might work best for you. Remember, you must be two years older than the oldest camper.

Give some thought to the role of CIT. What excites you? What is your biggest concern? What questions do you have? What ideas will you bring to your week at camp for interest groups and cabin activities? How is being a CIT different than being a camper?

We'll have lots of time to discuss these questions. Looking forward to seeing you, and thank again for stepping up to such an important role!

Peace,

Rev. Bryan S. Breault
