

# SENIOR HIGH WEEK - JULY 10 TO 16, 2016

We have many events for you in our week being planned and unfolding very soon as the Fearless Faith- Courage in Community curriculum reflects. Together, the Courage to Stand is Day 4's theme and From Daniel 3:28 the theological summary says: When we are called to be different than others and to stand with our community, we will not stand alone. What better way to describe the sense of what the Sr. High community is all about. We will stand together and encourage you to do the same, so come join us for a week of exploring our faith- a fearless faith or not? (you decide)

As well, please bring some of the following with you as it most likely will be a warm week in July! **Water bottles**, bandana/hat, sunscreen, musical instruments if you play, swimming or fishing gear, and appropriate clothing for all the usual program things such as those listed below:

**Sunday** - "Get to know you" games w/Darcy & worship/Communion

**Monday**-Evening program TBA & Vespers

**Wednesday**-Cookout, games, s'mores, and worship experience at the Lodge,

**Thursday**-Fancy Dinner (your choice of dress) & Dance

**Friday**-Slideshow, Talent Show, and Communion in the Chapel to end our week together.

**Deans: Pam Burnham & Melissa Marquis, (behind the scenes planning) - Abby Haskell.**

We're excited about the **mission** that Pilgrim Lodge has taken on this summer. We will be working with **Daisy's Children** -daisyschildren.org A non-profit that was started by one woman(Sharon Beckwith) after experiencing the utter poverty in a Honduran village. More will be presented at camp and the full story of a mom sacrificing all for her children. We will be asking you to bring children's chewable vitamins (any brand), and Lice kits ( not so fun to talk about, but so needed), along with your generous monetary contributions to support the day care program too!

**While cell phones and electronics are great tools of the 21st century, please leave them at home or locked in your car and just "unwind" and trust that it will be a great week without them! Your surveys said 89% strong, that they don't have a place at camp!**

**"Outdoor Ministry has two foundational elements: community and creation. As our culture is increasingly withdrawing from community we believe in intentional periods of living together surrounded by the beauty of the earth, away from the stress and strain of ordinary, technology-centered routines, give our spirits a chance to be open to life in a real and vital manner. " WE ask you to abide by this covenant for our week together. See PL website page and parent camper guide at: <http://www.pilgrimlodge.org/document/PLParentCamperGuideYOUTH.pdf>**
