June 7th, 2017

Dear CIT Trainees,

It's been a long winter, and the Pilgrim Lodge season is finally here! YEAH!

We're looking forward to seeing each of you on Saturday, June 10th at PL.

Please arrive at camp by **09:30 am**, and plan to be picked up promptly at **4:00 pm**.

Registration will be on the side porch of Quitobaquito; please remember to bring all of your registration paperwork with you. We will start with a brief chapel service at 10:00.

If you have not already downloaded the CIT manual, be sure to do so. [Here is the link](#). (You are encouraged to bring your laptops and tablets, so if you want to save a tree, you will be able to access the manual electronically.) Please take the time to look it over before you arrive. Be sure to jot down any questions that come up.

It would also be a good idea to think about why you are interested in becoming a CIT. What excites you? What is your biggest concern? What ideas will you bring to camp for interest groups and cabin activities? How is being a CIT different than being a camper? Consider which weeks might work best for you. We look forward to discussing these, and any other questions, concerns, or ideas you may have.

Bring your swimsuit and towel! It looks like the weather is finally going to be nice. We're also hoping to do challenges and the labyrinth if time allows. Please bring appropriate footwear, sunscreen and bug spray.

Pilgrim Lodge is built on a solid foundation of volunteer deans, counselors, and CIT's. By joining the CIT ranks, you are helping to keep the PL Spirit alive and well.

On behalf of Bryan, the OMT, and all of those dedicated to preserving this awesome space; thank you for stepping up to such an important role! **You. Are. Awesome!**

Shalom, Dan McGlincey and Chris DiSalvatore

***We'll provide lunch, but if you have special dietary needs, please bring a bag lunch.***
