

# One Spirit, Many Gifts 2019

Greetings, one and all!

We are SO pumped for this year's One Spirit Many Gifts week at Pilgrim Lodge. We've got a jam packed schedule of all the usual favorite to-dos, as well as some new tricks up our sleeve that you'll just have to come to camp to see! We're really gonna push the boundaries of what you've experienced in the past at camp.

This week at OSMG we'll rekindle those old friendships like we never left camp and build some new ones in the process! To let you in on a little bit of what we have planned...we've got new plans for an island adventure, lake trip, and even a giant twist on an OSMG classic of board games.... Have we peaked your interest yet?

A couple quick notes:

Our Mission Project this year is focused on the Friends of the Cobbossee Watershed. Their organization works to protect the lake we've all grown to love. Founded in 2001 by local residents out of concern of declining water qualities, we're excited to join their efforts and do our part taking care of our second home. During our week, we'll partake in a hands-on project led by the Friends of the Cobbossee watershed; directly engaging in keeping Lake Cobbosseecontee and the surrounding watershed healthy for future campers! Campers are encouraged to bring an offering (donation) to help support the important work the Friends are doing to support the lake.

Our drop off time, will be from 2:00-4:00 pm on Sunday, 7 July. Our pick up time will be the following Saturday, 13 July, from 9:30-10:30 am.

For packing, we'd ask that members have portable bedding this year (like an actual sleeping bag). Per usual it's a good idea to have a water repellent jacket in case of any summer rainfall, and always remember your CLOSED TOED SHOES!

We really hope you're all as pumped to be back at camp as we are. We're counting down the days till we get to see all of your lovely faces checking in at our Deans Table.
