EXPEDITION
EVERYONE

We can't wait to see you at Pilgrim Lodge for an awesome expedition!

We are so excited to welcome you to Expedition Everyone 2017! Together we are going to have the best summer adventure ever.

Meeting new friends, greeting old friends and becoming good friends with God is the plan as we DARE TO BRANCH OUT and discover new things with the stories of Jesus, the love of God and the power of the Holy Spirit. As you prepare and pack for camp Here are a few helpful hints about what to expect for this amazing weekend: Upon arrival you will be given a gentle schedule for the weekend with options for all hours of the day and suggestions for additional ways of enjoying your faith expedition. If children and youth opt out of programming, we are requesting they be joined by a supervising adult.

We will worship in the chapel together each morning, where we will wake up the echo, celebrate God's creation, hear God's message and sing our hearts out.

We will share all our meals together in the fabulous Quitobaquito Dining Hall..The kitchen staff prepares meals that are truly amazing and enjoyable. but If your cabin brings anything extra, please make sure that it is all stored in a large plastic bin with a lid, otherwise it will be you and the critters sharing a cabin for the weekend. Fruit and water is always available during the day and the ice cream window will open for sure!

During the day there will be options for swimming, boating, hiking, labyrinth walking, arts and crafts, field games and fellowship opportunities. Closed toe shoes are recommended and flip-flops are good for the waterfront.

At the close of the day we will gather again in the chapel for a vespers service that is recreative and cool!. We will say goodnight to the lake and thank God for the blessings of the day. There will be the option of boardwalk casual time at night for the older crowd and story time in the lodge for the younger crowd.

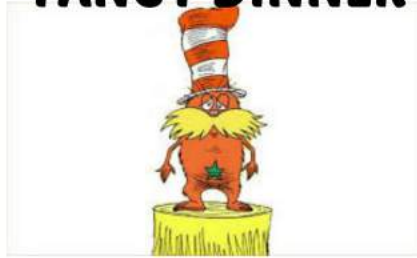

All medicines must be stored out of reach of young children Please try to leave your electronics at home (ipods and ipads, computers and Gameboys) and if you must have a phone, please leave it in your cabin or on silent. We surely don't want you to miss out on the sound of the loons because someone's phone was ringing. See you soon!
