We are so excited to welcome you to Expedition Everyone 2018! Together we are going to have the best summer adventure ever.

Meeting new friends, greeting old friends and becoming good friends with God is the plan as we experience the Out of this world love of God! With the stories of Jesus, the love of God and the power of the Holy Spirit we are blasting off to big adventures!. As you prepare and pack for camp Here are a few helpful hints about what to expect for this amazing weekend: Upon arrival you will be given a gentle schedule for the weekend with options for all hours of the day and suggestions for additional ways of enjoying your faith expedition. If children and youth opt out of programming, we are requesting they be joined by a supervising adult.

We will worship in the chapel together each morning, where we will wake up the echo, celebrate God's creation, hear God's message and sing our hearts out.

We will share all our meals together in the fabulous Quitobaquito Dining Hall..The kitchen staff prepares meals that are truly amazing and enjoyable,. but If your cabin brings anything extra, please make sure that it is all stored in a large plastic bin with a lid, otherwise it will be you and the critters sharing a cabin for the weekend. Fruit and water is always available during the day and the ice cream window will open for sure!

During the day there will be options for swimming, boating, hiking, labyrinth walking, arts and crafts, field games and fellowship opportunities. Closed toe shoes are recommended and flip-flops are good

for the waterfront. **Our younger swimmers will be asked to do a swim check and covenant with all the protection rules of the water.**

At the close of the day we will gather again in the chapel for a vespers service that is recreative and cool!. We will say goodnight to the lake and thank God for the blessings of the day. There will be the option of boardwalk casual time at night for the older crowd and story time in the lodge for the younger crowd.

All medicines must be stored out of reach of young children Please try to leave your electronics at home (ipods and ipads, computers and Gameboys) and if you must have a phone, please leave it in your cabin or on silent. We surely don't want you to miss out on the sound of the loons because someone's phone was ringing. See you soon!

We will have an OUT OF THIS WORLD FANCY DINNER!

Come ready to dress up or costume as your favorite planet, comet, astronaut, Buzz Lightyear, alien, Star Wars or star.

If you can dream it, we can celebrate it !

OUR MISSION FOCUS
this summer is the Maine
Conference UCC's Anti-
Racism Resource Team
(ARRT), a group that is
working to raise awareness
and address racism in
Maine.

We hope that by supporting
this group in faith, prayer and
monetary offering, we will learn
how to be good neighbors to
people of all colors and
backgrounds and to stand up for
what is right in our communities.

To support this summer's
mission, campers are encouraged
to bring an offering (turned in at
the time of registration) that will
go to support projects of the
ARRT: You can also bring a
tangible offering - we will be
collecting basic school supplies:
notebooks, pens, pencils and
erasers for new Mainers at the
New Mainers Resource Center.

You can see more about this
summer's mission on the PL website at:
