

GRAND-PARENTING WEEKEND

June 21 – 23, 2019

Greetings!

Welcome to PL's first season of Grand-Parenting Weekend. The rise in grandparents who are taking an active role in parenting their grandchild(ren) has called us to bring these unconventional families together for a weekend of sharing, learning, and fun.

Speaking of fun, our days will be filled with worship, nature, swimming, fishing, boating, good food, singing, and of course a campfire, or two!

Our time together will be balanced between the entire group being together and structured activities for the grandchildren, which will leave the adults with programming time where they discuss some of the rewards and challenges of their situation.

Here is a list of items you will need at camp: bedding and pillows, towels, flashlight, personal items (toothbrush and toothpaste, etc), bathing suits, fishing poles (and worms!), closed toed shoes, bug spray, sunblock, and warm clothes as nights can get chilly.

Please **arrive at camp 4-5 PM on Friday**. We will get you unloaded and settled into your cabin. Dinner will be served at 6 PM. **Departure will be Sunday at 11 AM**.

We can't wait to meet you and get to know you during this special time and at this sacred space called Pilgrim Lodge.

Your Deans,

Karen Steelhammer karen@pilgrimlodge.org
