JULY 3 - JULY 6

Come have your best
summer ever!

We are so excited to welcome you to Expedition Everyone 2024!

Together, we are going to create sacred memories
that can be cherished for a lifetime.

Learning the names of new friends, greeting old friends and becoming good friends with God is the plan as we experience an Intergenerational Expedition! With the stories of Jesus, the love of God and the power of the Holy Spirit we are PLAYING, PRAYING and STAYING CONNECTED beneath the tall green trees, on the beautiful boardwalk on the peaceful lake.

We will worship together each day, where we will greet the echo, celebrate God's creation, hear holy engaging messages, pray with creativity and sing our hearts out. We are a multi-generation camp and there will be a **special adventures for those who are camping with those who are beautifully named grandparent and grandchild**. However you are named, and however you name yourself, we invite you to get creative and use a piece of posterboard to **design a collaborative sign for your cabin** naming the people you are with. Cabin number can be added when you arrive.

As you prepare and pack for camp, here are a few helpful hints about what to expect for this amazing time: Upon arrival you will be given a gentle schedule for the halfweek with options for all hours of the day and suggestions for additional ways of enjoying your camp expedition. If children and youth opt out of programming, we are requesting they be joined by a supervising adult. No one has to participate but everyone is invited to be a part of the programming.

We will share all our meals together in the fabulous Quitobaquito Dining Hall. The kitchen staff prepares meals that are truly amazing and enjoyable, but if your cabin brings anything extra, please make sure that it is all stored in a large plastic bin with a lid. We are also a nut free campus.

Fruit and water are always available during the day and the ice cream window will open for sure! During the day there will be options for swimming, boating, hiking, labyrinth walking, arts and crafts, field games and fellowship opportunities. Closed toe shoes are recommended, and flip-flops are good for the waterfront. Our younger swimmers will be asked to do a swim check and covenant with all the protection rules of the water.

Come enjoy all the goodness of lake, loons, land and God's love.

Let's Connect in Character !

Do you have a favorite cartoon character? A much loved hero from a book? Or a movie? We all have those memories and joys of beloved stories, shows and even video games . Let's come together in character for our fancy fun dinner and let's link together in imagination and joy as we share some fun spirit and love for the characters that make us smile! All for fun, so of course, camp clothes are also perfect. Dress up and step out for some character connecting. Maybe your cabin will come as the Scooby gang, the Bluey family or The Ghostbusters!

OUR MISSION FOCUS

The Mission Project this year is

MAINE SEACOAST MISSION

The people of Downeast Maine are supported by the work of The Mission. Rooted in a history of compassionate service and mutual trust, this powerful group seeks to strengthen coastal and island communities by educating youth, supporting families, and promoting good health. We will learn about this good work and invite campers to make a donation, a prayer and a letter of support to this program that helps children like them study, eat good food and live better stronger lives in community. Check out seacoastmission.org to learn more.

We can't wait to swim, sing, wander, dance, worship and wonder with you at PL !
