

Pilgrim Lodge

Maine Conference, United Church of Christ

Pilgrim Lodge is a multi-generational summer camp and retreat space centered on the spirit of extravagant welcome. Ours is a ministry of inclusion: no matter who you are or where you are on life's journey, all who come in love have a seat at the table. We believe in providing space to slow down the rapid pace of modern life in order to tend to community.

WELCOME TO WOMEN'S FALL WEEKEND 2025!

Come to camp not because you must, but because you MAY.....choose to spend time with others who voice some of the same concerns, share passions, and or have lived through similar life events. Consider inviting a friend or family member to join you. Set this time aside just for YOU.

God calls us to be present and spend time together through prayer, worship, and service. God also invites us to make time and space for quiet, so our spirits can find rest and peace. Often, it is in these moments we can hear God's voice.

The overall theme is "Another Way" and we hope you find many ways of seeing, hearing and feeling God's voice.

With all of the lovely colors of nature and our focus on that, please bring any shade of green shirt you have for our camp group photo.

We invite you to bring all of those things that make your heart sing: a good book, journals, a new board game, puzzle, musical instrument or your favorite craft to do! We will be doing all of the typical camp things; interest groups, singing, worshipping, camp-fires & s'mores, swimming, boating, eating, having ice cream and laughing out loud!! There will be time for rest and peace too, while rocking in a chair on the porch.

If you would like to lead an interest group, please reach out to info@pilgrimlodge.org

This year, we'll have some new and different offerings based on Dean Grace's skill set as a Maine Master Naturalist. She will be offering many new experiences within the environment of Pilgrim Lodge. We will intentionally spend more time out in different parts of camp exploring and enjoying the natural world. Dean Pam will offer creative endeavors to collaborate with others.

We will embrace moments to sing together after meals and during worship.

If you have signed up to come early on Thursday, we hope you enjoy the opportunity to be present in the sacred space of PL. Considering bringing a folding camping chair and a journal if you have one. We may make some journals at camp as well!

Invite a friend or family member to come with you!
See you soon, Pam & Grace.
